ABOUT ME

I was born in Dnipro, 32 years' old, not married.

Over 10 years' of working experience in different business areas, such as: foodstuff, hard-truck transport logistics, photography, design, digital printing. Have a practical understanding of business needs within B2B and B2C fields. Teamwork experience in such countries as Poland, Greece, Moldova & Russia.

Computers, networks & software development inspire and enjoy me from the school time. And my engineering education is a good technical background for employment.

My hobbies are photography, traveling by car, cycling, post crossing. I have B category driving license, strong driving skills, and long term opened Schengen visa.
